# Summary of Terms and Conditions

Hey there! Here's a quick rundown of what you can expect at The London Sex Coach (friendly summary: please refer to full Ts and Cs that are a tad more formal here:

🌐 Ts & Cs | The London Sex Coach | Trainer | London, UK )

Confidentiality is my top priority. I'll only share your progress with other professionals if you give me your permission or if there are limited legal reasons to do so. Your therapy notes (if any) are kept super secure and coded and often offline.

All your personal data is compliant with my common law duties of confidentiality.

When you book an appointment online, you'll need to provide your contact details and pay **in advance** for your session or package. If you need to cancel, please give me at least 72 hours' notice. If you miss an appointment, there will be a charge (often the full session fee). Transfer of fee is purely at my discretion.

You can book multiple sessions (package), but there won't be a refund if therapy is interrupted. You can access your sessions whenever you like, but please make sure to update your details if it's been more than six months since your last session. Generally packages need to be taken within 12 months of booking.

If you're on ongoing external treatments, please let me know. Also, please remember that counselling is not a substitute for professional medical advice. If I think there's a better approach, I'll let you know.

For more information about privacy policies, please visit the relevant sections on the website. For a more extensive look at Ts and Cs please click the link at the top of this summary. Thanks!

\*Online sessions are by Google Meet (mainly) and also WhatsApp video and FaceTime. Voice-only welcome if you are not comfortable with video calls.
